

Akashic Reading Symbols

Divine Guide Symbol

This symbol got channeled because one needs to know whether the symbol they are placing in the Akashic Records are truthful or not. This means, at times when one place the symbol they get distorted by higher realm people who want to disturb people. So, invoke this symbol name as Akashic Records Divine Guide Symbol and you need not to have Attunement of Usui Reiki for this modality. After invoking this symbol, you will have clear picture as to what symbol to place.

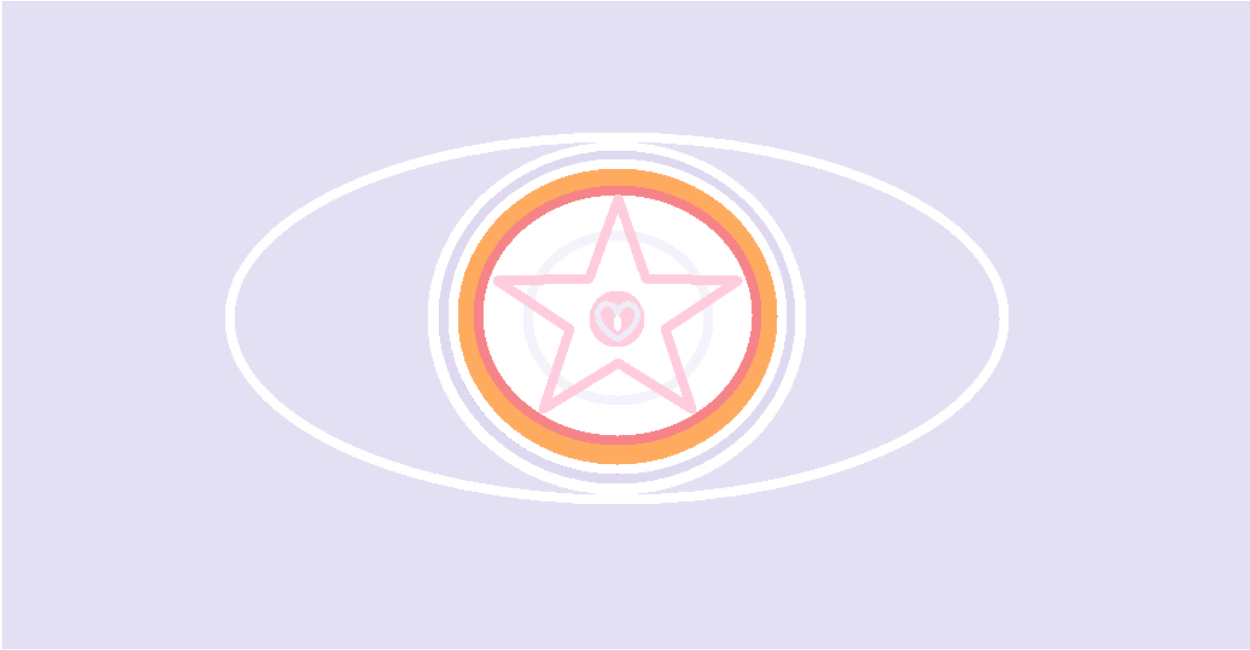

Divine Guide also helps in guiding you in life in general and then make you know which symbol to contact to. Make this symbol on Aura and let yourself be Guided in life. There are five different symbols working with Divine Guide Symbol and they have their own working symbol in the modality.

Divine Guide Symbol also works other symbols of different modalities and gives Attunement when required by the person in need. One can ask about the further studies, new concepts and new life circumstances and how to sail through them peacefully.

Because of this Symbol also, the Akashic Reading and Healing Modality is a complete Modality as one can have Guidance on any aspect of Life. When used with Symbol of Knowledge, one can have knowledge regarding their issues in Life.

Ask Divine to give this symbol to Entire Creation and you will be surprised that you are loved in higher realms. This symbol is not just limited to Akashic Reading but goes beyond the perceptible knowledge about Universe, Ultraverse and existence that you know. There are no healing crisis when you work with this modality in general and this symbol in particular.

Give yourself a chance to heal and get healed by this symbol and you will be surprised by the results, however, you need to work with this symbol and at times hard work. If you get too tired say to the Divine that I am tired and you will get the energy boost.

Angel of Cleansing

This symbol got channeled because there was a need of cleaning of very high frequency. Usually Cho Ku Rei is symbol that cleans but the cleaning by this symbol is of very high frequency that not only cleans but also opens many channels for further progress.

Angel of Cleansing here is Archangel Chamuel and he clears not only Aura but also many aspects of person that are unknown to the person. All the chakras are healed from start till one is with Divine.

After this symbol is implanted then there is no worries about the cleaning the Aura and one understands that there is no difficulty in person's path. If there are Karmic blockage then the blockages are removed by giving instructions to the person. The symbol teaches lesson to the beings who try to create blockage to the person.

As the symbol is working on cleaning aspect one can notice that the surroundings are being cleaned of this person and a good environment is being given to the person to grow. Few people remain very clean and the symbol notices such people and can also come to help these people attain whatever is required by their journey.

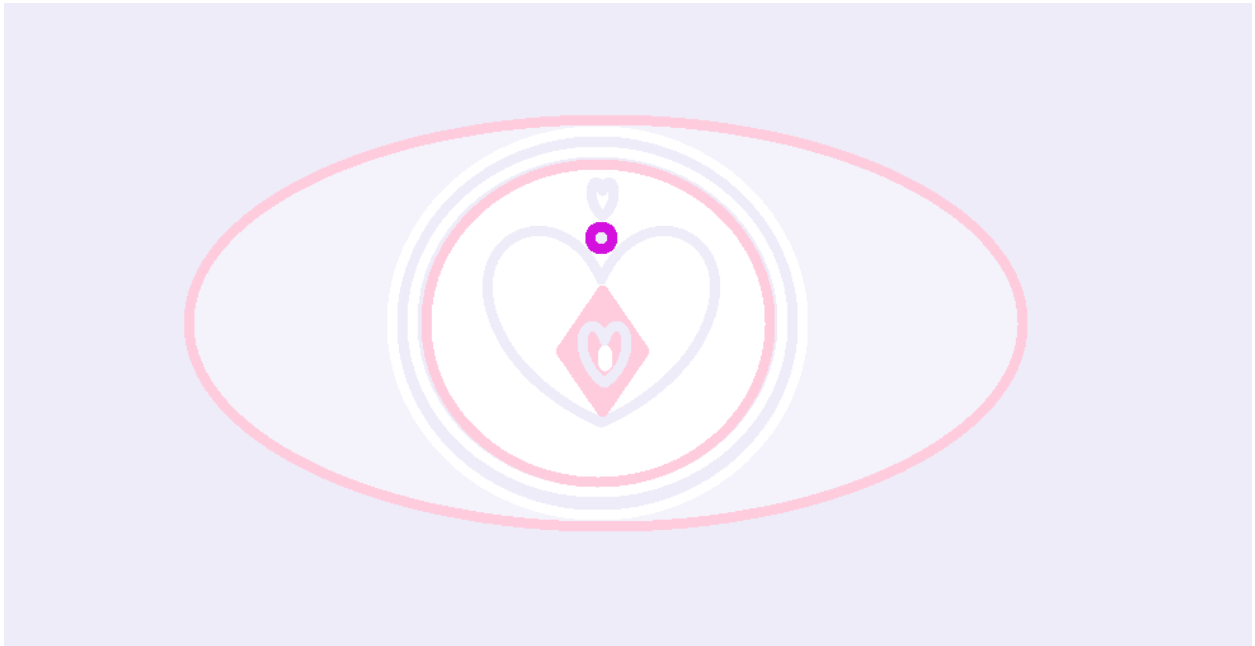

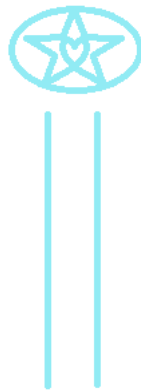

This is the most helping symbol in the modality. When you give this symbol to the entire Universe, you receive countless blessings and the planet Guru along with Saturn get's clean and mature. Do healings for about 8 months regularly and see the benefits.

The symbol is one of the protective symbols in the Akashic modality, therefore, when you sense people who are taking your energy send this symbol and they will understand the reason for doing such karma.

The symbol works well for the babies who are new born because the symbol protects them and clears their astral realm.

Work with this symbol if you want to progress in your work and get stabilized in business. This symbol not only assists but also, makes sure that people get their living.

There are infinite possibilities with this symbol and one get's blessed when Divine wants.

Angelical Openness

This symbol was channeled because it has the power to communicate with other symbols of the existence, by this it means Universe and beyond. The symbol came with the happiness of Lord Shiva and has ability to open the chakras with love. The symbol gives the gesture to know the happiness and quality of people who are with the knowledge and dimensions of truth which includes learning, being ready to serve people and capable of understanding people. Therefore, the symbol makes loving qualities to people who use them.

The symbol has many qualities but it's true nature is in loving the people when they are opened. The symbol opens through knowledge and making one realize through understanding. Therefore experience is gained through complete understanding and in a safe way. The symbol gets its energy from Saint Florence who is responsible for accepting people in a way that people feel relaxed and happy about themselves.

Saint Florence Prayer, "Dear Divine! Make me love so that when people come to know about themselves they get you".

Saint Florence say that since I open you, you can pray to me by saying, "Dear Almighty! Give me what you wish but also give me what you have planned". One gets more prayers in their heart or other centres of the body where Almighty is happy with them. There is not a single human whose none of the centres deserves Almighty Blessings.

The symbol gets closer to many beautiful aspects of the creation in any being but by praying to Almighty or Saint Florence one get everything.

The symbol of openness is with the love of Saint Monin, therefore, people are not terrified when they know their day of Judgement if they pray to Almighty or me for this love.

When you give this symbol to the entire creation you receive love of Almighty on the Day of Judgement and this one must do for 3 months for normal person and 3 years for people who have Karma that Almighty doesn't like.

One can find truth and peace with this symbol when they are with the happiness of other people.

Querubin and Emerald Protection

The symbol figure is changed but the energies are same.

The symbol is of the quality of giving protection that of 1000 Angel's. It is a must symbol before one starts reading the Akashic Records. However, the symbol should be used or invoked in a normal healing session so that there are no psychic attacks on people. The symbol has the energy of the Heart of the Saint Michael. However, as the Earth is rising higher and higher in vibrations the protection too has increased to 9 Billion Angels.

The symbol has always stood for protection of all kinds be it psychic attacks or emotional trauma or spiritual conquest. There are other levels too where protection is needed and these are for the Higher Self and also for the Grounding. Therefore, the symbol is also a grounding symbol. There are many facts about this symbol and these are as follows that there are no healing crisis when this symbol is being used.

Another fact is that the Angels if need to talk to you, they will talk and will make you feel comfortable and they will give you good energy so that your entire system becomes happier. One needs to have trust on people who are with the symbol as the symbol can protect you from going in different directions that are not meant for you.

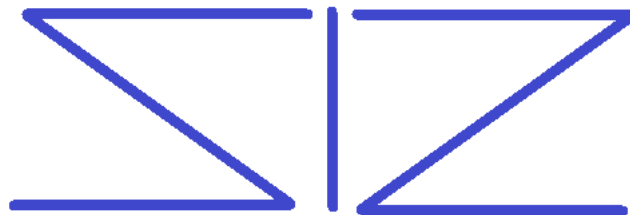

Ask the symbol to give you healing for the astral travel and then you will know that no one can destroy you. This symbol can be used for making things clearer when there is a need for clarity, generally used in mental fog. Ask this symbol to give you protection from your own negative thoughts and you will be surprised that there are no negative thoughts in you.

Apply this symbol on many aspects of life such as removal of blockage because once you become aware that the blockage whether karmic or not are created only by Evil Spirits only. There are many things that we think are not possible because we live in three dimension, however, time doesn't exist in 5th dimension.

There are many zones where this symbol can be applied, the first being on root chakra, the second being the happiness of children when they are up to 9 years of age, the solution to the problem of arthritis or issues related to age. Once, this symbol is being invoked the symbol protect the babies in the womb until they die.

The symbol comes with the Blessings of Saint Germain and also Mother Quanin.

When this symbol is being given to the Universe and not the Entire Creation, the healer gets happiness but also there are chances of healer being in the zone of total surrender to Almighty which brings an end to the hardships of the person.

Divine Discernment

The symbol figure is changed and both the symbols will work, however, the updated version is preferable.

When there are issues in Akashic Reading, we got to know what them difficult. Therefore, this symbol has come to rescue people whose life path are not visible to many healers. This symbol comes to decode the difficulty in the life path. There are people who do Reading without the symbol and this perfect, but when this symbol is applied then it becomes easier to decode the answer.

There are many ways this symbol can help, when you are having questions regarding difficult situation in life, use this symbol. When you are with people who do not answer clearly, you can use this symbol to know their intention and what they mean.

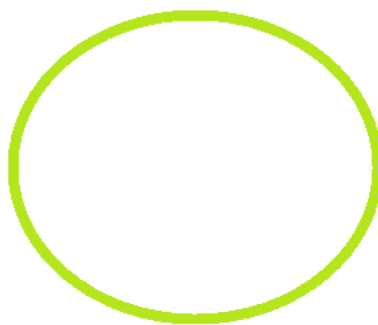

This symbol can give you information on your life path and why have you been given this life path. There are many aspects of this symbol and these are when given tests in life without any fault, when there are many channels for the same thing and it is difficult to choose for the people the correct path. This symbol can make you realize your mistakes and also your guide you which way to go. However, this symbol is not a substitute for the people who are assigned their roles and they are doing well.

Saint Gorfam is working with this symbol and gives this prayer, “Dear Almighty! Please suggest me the path you have chosen for me and Guide me on my path”.

The symbol can also put you in situation where you realize that you are given this situation and feel and analyse why it has been given. There are circumstances where a person feels unsupported and the symbol can give you the answer to this. The symbol can ask you questions by giving you the situation again and again.

There are many life circumstances where you can make yourself feel down and the symbol can put this question to you that why are you taking this path, if you want to do good then why don't you chose straight path. Guide yourself by asking Almighty to give you answers.

When you give this symbol to the Entire Universe, there are many problems that come to the surface and answers keep on coming. This way there are many hidden things which we suffer come out and gets solved.

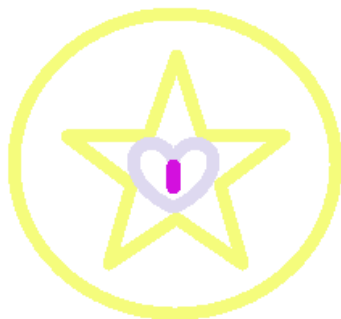

Angelical Connection of Akashic (Updated Symbol from Archangel Chamuel and Gabriel)

This channeled because now the time has come to make people aware of their destinies written by Almighty. They come to know the secret that people are holding in their heart for them and this is to make them aware that their destiny do get impacted by the ill feelings a person has for them. However, you can know how to make the person happy from heart and remove those blockages. There are many aspects of happiness in this symbol that gets revealed once you start healing people who are unhappy from you.

The symbol has come to show you light to take lessons from the heart and soul and not from the desires of this world. There are many aspects of this symbol but the only one aspect that Divine wants to show to us is that it is a Light Symbol and can be used by Light Workers for their usage in healing others in fast and effective manner. Light Symbols are another group of symbols that will channel on people who are Light Workers.

This symbol is very effective in rooting out depression in the people and ignorance also. This symbol is a starting point of Light Symbols and there is magic in these symbols. People go a lot of trouble in Kalyug but these Light Symbols can help them a lot. Ask the Light Symbols to come to you by invoking this symbol and you will be surprised to get knowledge that you receive. The symbol channels the Akashic Readings and is used to make the connection of Angels to the person permanent. The symbol work is for channelizing information but also Guiding to chose the correct path for soul's journey.

There are unlimited sources of Divine Love and this love will gets channeled once you start healing people with these symbols. If the healing is done by these symbols to the Entire Universe not Creation you enter into a different World of Divine Beings and helped regularly.

Light Symbol for Purification & Restoration of Peace (Updated Figure and Energies)

The symbol has energies of Light Whirl and Light symbol from Fear to Peace.

This symbol got channeled because there was so many aspects of life that people on this Earth are unable to handle and this is the beginning of love that the Light Symbols give. They remove fears, blockages and the negativities from evil spirits by first cleaning and purifying the Aura (by Archangel Zadkiel) and then restoration of peace. While channeling the difficult life circumstances cannot be read by healers therefore use this symbol, if you know there has been challenging circumstances in the person's life.

The channel of this symbol was done to make Light Workers happy about their work as the Divine has now come up to take Light Workers with him to show World of Different Emotions made from Peace. Light Workers learn here more about Peace and how to fight with Peace deeply rooted in their existence.

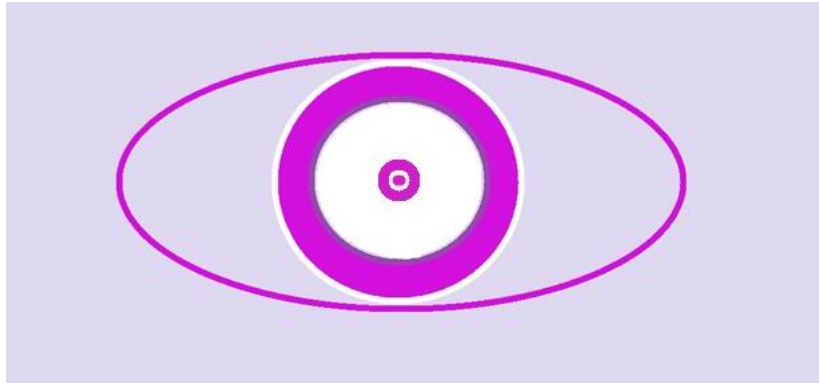

There are many ways the symbol could be used in normal Reiki practice, one way is to bring peace to ourselves and our home and the other thing is to bring the element of satisfaction in daily life by taking people from the Universe for healing who are badly affected in Kalyug. Many such issues are known to us in the news that we get and many people in our own lives. The reward is bountiful.

This symbol is made on Akashic Registers for bringing peace in difficult situations but also could be used to stabilize the person and make him/her grow without getting affected by person's weaknesses and also by the tests given by Evil. The symbol has energies of Archangel Michael and Archangel Chamuel.

There are many possibilities this symbol can give you and the first one is to bring the Light of the Almighty to you, so that you shine in your Light and the seed of which you are made germinates and grow in the right direction.

When Restoration of Peace symbol is given to the person there are chances you receive Blessings of very high frequency. When used for World Healings, Universe Healings and healing the entire creation you are filled with countless Blessings and Divine Beings that love and give support to you.

The symbol gives love and Blessings from the Prophets and Archangel's also from the different Galaxy and Universe.

Angelical Love

This symbol is channeled to make light workers aware of the peace one gets when they are with love. The symbol is combination of Winged Heart and Angelical Love and Light Seal.

Angelical Love is channeled by the Archangel Squad as the symbol is special. This Squad has all the Archangels and their every aspect of Protection given to those who have these symbols.

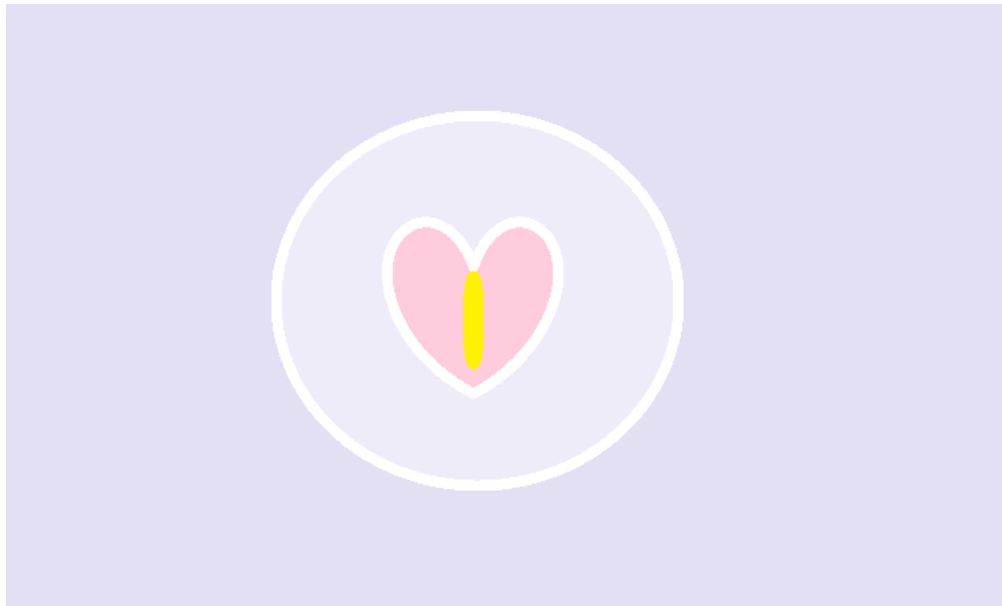

The symbol is for love and giving loving energy to the person who gets this symbol. The symbol is used to give love to the person, therefore, when you see a situation where there is lack of love, person's longing for love, then use this symbol. The symbol can be used in any situation whether a person wants knowledge, wisdom, counseling on any life aspect, money or Spiritual Growth.

The symbol loves to work people who have love for others and who are willing to work for the service of others. Since, love is the highest frequency emotion on the Planet and also in the Universe, the symbol opens the portals for a whole new world of understanding.

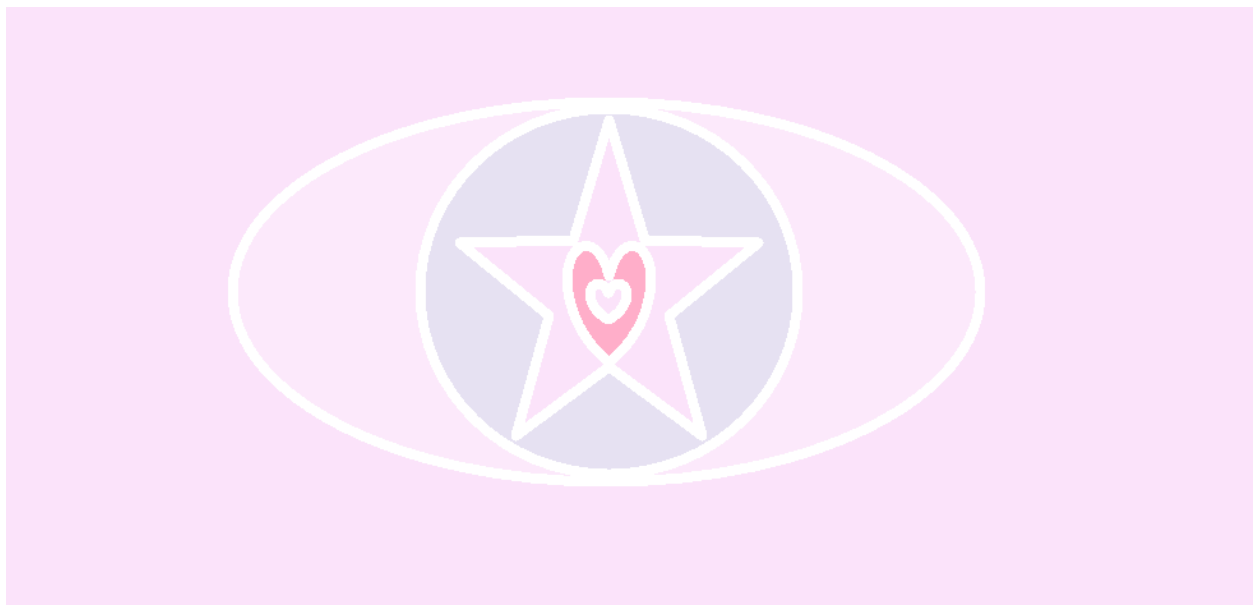

The symbol comes with a potential to heal deep rooted anger and frustrations and there are many emotions that one can experience with this symbol of Angelical Love. The symbol is very effective in healing heart break and pain caused by this. However, after this symbol people would chose the right partners for themselves and no break up will happen in their life.

There are many aspects of love and higher dimensions of love and these are living in Peace, Being one with Divine and doing all the works of Divine with love, Trusting Divine Plan and Understanding others and others with Love.

The symbol when used for Universal Healing makes tremendous impact on the entire Universe and so are the rewards. You attract love and your life becomes love. One starts learning life lessons through Love and other higher emotions follows such as Peace, Happiness, Joy, Acceptance and Divine Love with Truth.

Angels of Love, Peace and Acceptance

This symbol was channeled by the Grace of Almighty and these Angels are together because once you love and be in peace, you start accepting the people. There are many life circumstances where there needs to be more power to add many things in life such as stress free life and then working

continuously. Love and Peace Angels guarantee this and they are working in the favour of the person. They allow people to be in the right emotion when filled with love. There are many things that a person can't digest and this is because they are not in love and the Angels of Love and Acceptance make you realize this that no matter what you are accepted in the eyes of Almighty.

There are many Angels associated to Love Angels and they are happy to work with people on their inner strengths. Once this symbol goes into your system everything starts coming to life i.e., your dreams, inner good desires and your longing for Divine.

Place this symbol in the Akashic Register even when you think everything is right because Angels want to work for everyone. Give Angels also this symbol as now this symbol has the Highest Energy of the Universe and this is MAHATAMA ENERGY.

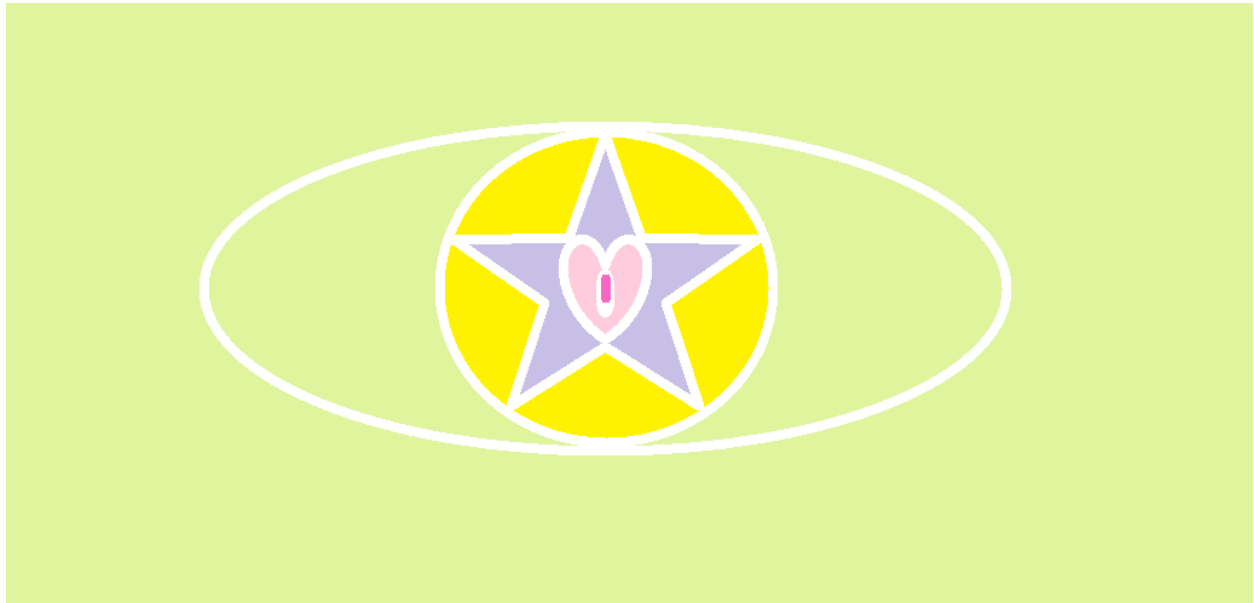

When working with these symbols remember donot invoke them in places where the Prana is Low such as in traffic jams, places where there are many people because Angels of Love cannot communicate with you.

There are many aspects of Divine Truth that this symbol works with and this is making people go for love and peace when they are in the difficult situations. The Angels guide you in the most difficult of the circumstance and they would like to tell you that they are with you.

This symbol is now working with Mother Quanin and she gives lot of Peace in the symbol. There are other frequency working with the symbol and there are many people who know that Mother Quanin has worked extensively on the people's need to be in love and peace. The symbol gets it's happiness from Insha Allah who is responsible for doing things which are for the Highest and Greatest Good of All. There are many aspects into a symbol and this will be discussed in detail in the upcoming book.

When you give this symbol to other people your life gets peaceful, happy and full of joy. Universal Healing done through this symbol brings permanent peace to the person. When you make people love themselves through Angels everything gets settled in the chart.

Divine Mission and Divine Order

The symbol works with the energy of Mother Quanin and Prophet Of Peace. The symbol gives the proper guidance of the Divine Mission and prepares person for Divine Orders. In this way this symbol gives power to the person and allows the person to work according to the Divine Plan. Symbol has the quality of making people know about the things which they don't understand and this is their Life Mission. People usually take their Divine Mission as Life Mission but both are different. Life Mission is a part of Divine Mission.

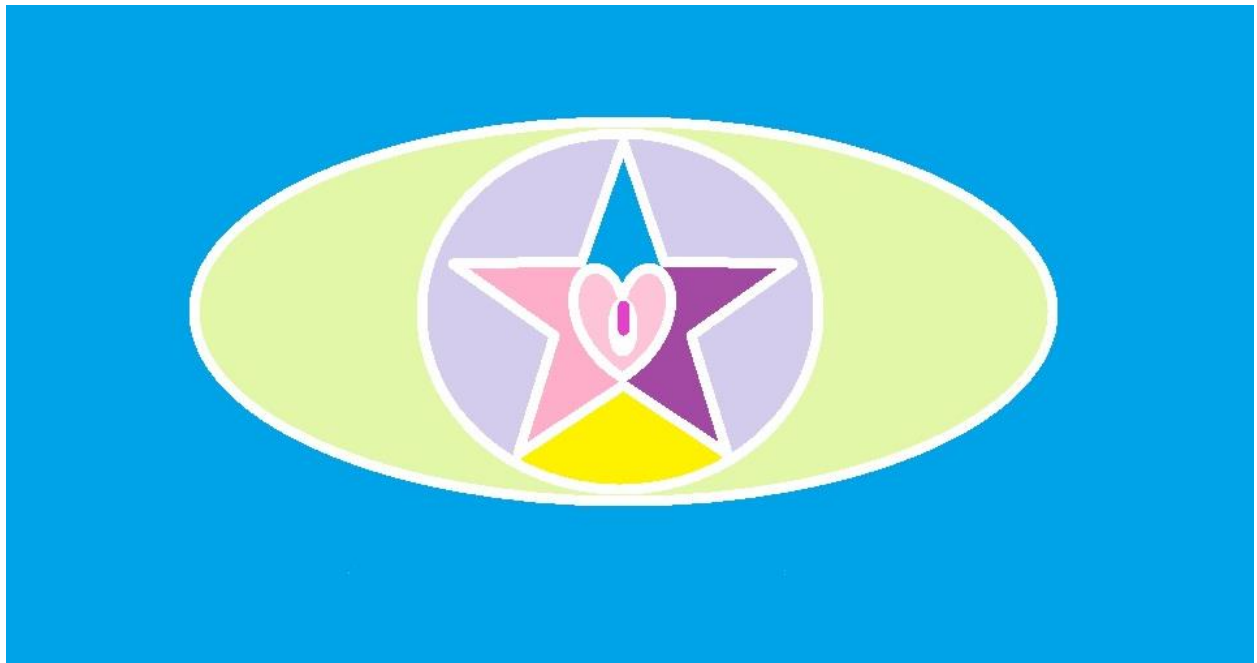

Symbol is with the energies of Mother Quanin and here it is not Lavender Flame but Green in color, this is because there is a Field of Happiness, and role of Green Color is to facilitate the work. Lavender Color transmutes the energies with Love. There is role of many different Reiki's in this Symbol and Violet Flame is one of these and works with the intensity of MAHATAMA ENERGY. There are many aspects of Peace in the Symbol and this is making people go for the Higher Self Healing, stabilizing the Aura, making Peace with others and allowing yourself to spread Peace in the World.

The Symbol is for those who would like to connect with many Peaceful Divine Beings and this is the reason why the Symbol can be used in the Akashic Registers for guidance of these Divine Beings. They come and tell you how to handle the situation. There are many Life Mission and the entire Life Time when lived with the principal of serving the humanity or working for Divine then more Life Missions could be completed in one Life Time.

The Symbol when used for Universal Healing gives extra-ordinary results like making people go for the transformation of Higher Self into Peaceful Guides for others when healing for 7 months continuously.

When your Higher Self is a Guide then it is necessary that you wouldn't have to go for problematic life till you become a part of Divine.

Archangel Squad

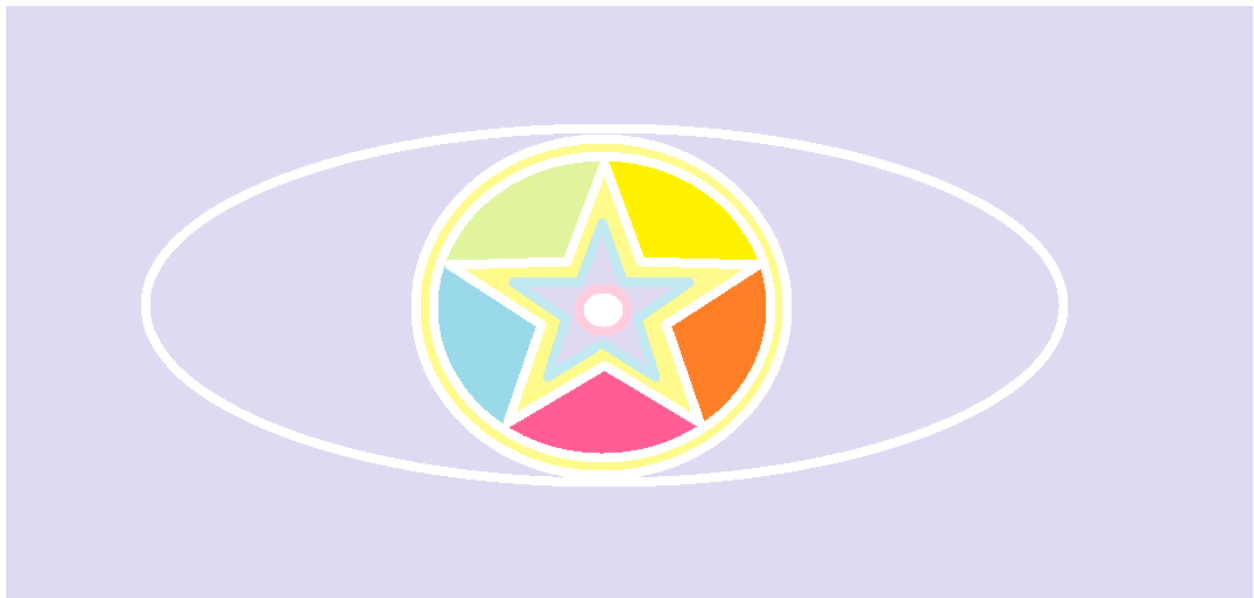

This Symbol comes when there are issues in Healing. When you are Healing a person's registers or in person and not getting results then use this Symbol as it gives Protection of all the Archangels. When Archangels come then there are no issues as evil cannot enter into the person's life or affect it adversely.

There are more roles of this Symbol and one of the role is also to make people feel rooted in their Divine Essence and growing as per Divine Plan. The Symbol has a Heart in the centre and this is for the making people rise in their Heart rather than in their mind. The symbol is used when you are very much affected in life such as people in war zones and those facing very difficult Karma. When you see someone having affected with Black Magic then use this symbol, the magic will go the intentions of the person will be purified.

There are people who get stuck in their business and suffer undue losses, they don't have Karma when they know no pain but the loss is there and this is the reason why this Symbol came for those who suffer because of the Evil Spirit. Those who have Karma needs another Symbol and this is the Symbol of Complete Understanding to know where is the problem. There will be no one who will be left behind.

Use the Symbol with other Symbols for your Life Mission, for example if your Life Mission is a Light Worker then apply this Symbol in your work so that you do the work fast and with Guidance. They protect people while they are doing work. Ask Divine to help people by sending this Symbol to those Divine Wants and then your Life Mission will be guided, protected and given support.

Symbol To Rise High/ Stable Growth Symbol

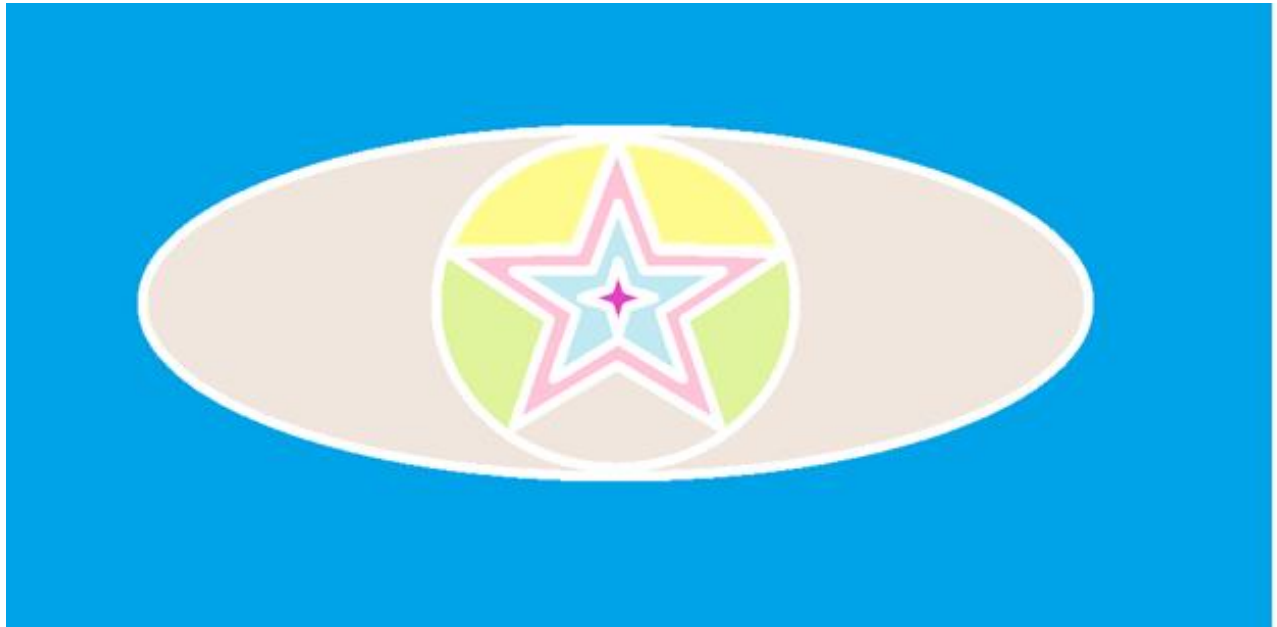

This symbol was channeled by the Divine so that people grow without experiencing downfall. The growth is not negative, it is always positive. The symbol comes with the Protection of MAHATAMA ENERGY and therefore, one need not to worry about the negative entities or evil, who stop growth.

There will be many different energy experience with this Symbol as all the chakras are healed in this symbol. The growth will be steady without any blockage. The Golden Flame in the symbol makes the growth steady and fast. The symbol is for those who work for the Higher Consciousness. The symbol brings Divine Beings for the healing of an individual fast.

Bring this symbol to make people come together for working of the mass consciousness. Place this symbol on people who are dedicated for working towards service to others and mass consciousness would rise towards the same motif. Therefore, the symbol is for Universal Healers and they could bring change in for the entire planet. When healers save the entire planet then Universe bless them with this work for other planets without giving them births.

Celestial and Earth Anchorage (Grounding Symbol)

This Symbol is for the making people anchored on Earth and in the Universe so that they can grow with the strong root. The Symbol not only roots but also grounds you and take care of all the extra charges of energy that one receives. The Symbol is for making you realize that although one grows to an infinite extent, they still need anchorage and it must be strong. Once, this Symbol is formed on Akashic Registers or on the physical body one gets full support at roots. This support is also given to those who wish so or are working hard and sincerely. However, when one gets imbalanced in the life you receive this Symbol and get understanding of the problem.

This Symbol is a good grounding Symbol and one can apply when they have energy imbalance like healing crisis, fluctuations in B.P. and any diseases related to five elements (fire, air, water, earth and ether).

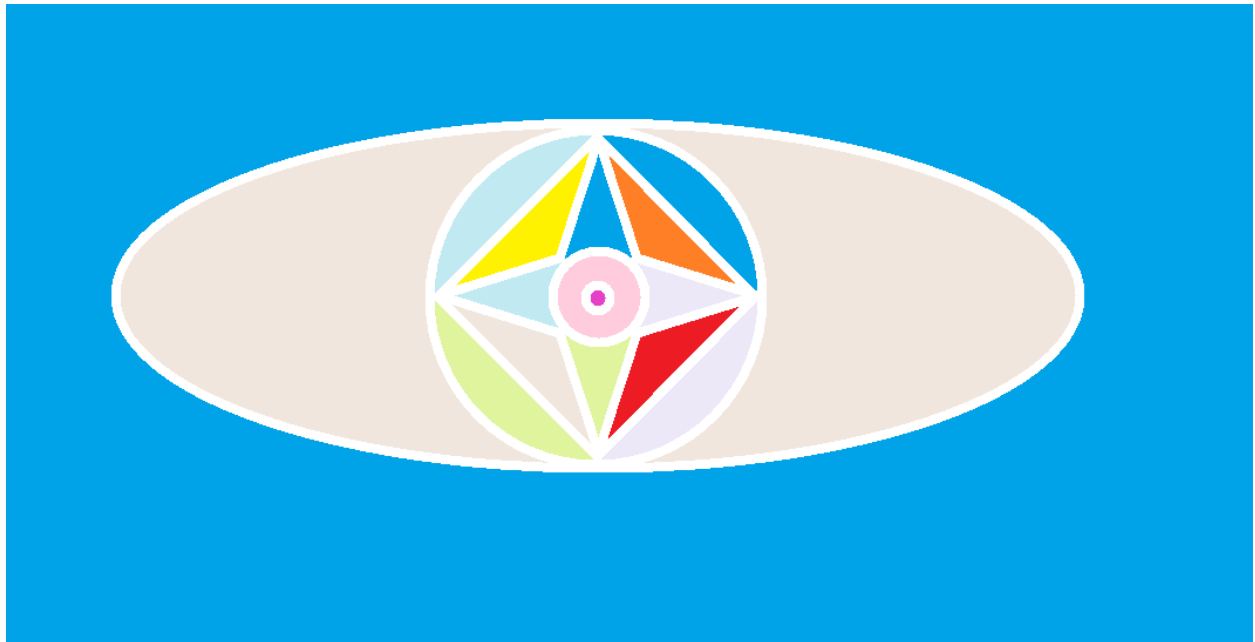

There is prosperity and power when this Symbol is being used and this is the reason why there are lots of Angels to support the person on many levels. There are Divine Timings for every work that needs to be done and this is the Symbol that tells you that the Time concept is about the being prepared. Once prepared you reach your goal.

The Aura of the Symbol is like that of a Archangel Michael which means there is a protection also at the level of Spirit and beyond. The anchorage is given by the Archangel Michael, therefore it is very strong and effective.

There is also a prayer for Archangel's Protection, "Dear Divine! Protect me with the Energy of Archangel Michael".

When this symbol is implanted on others there is a healing energy generation in your Aura as you are working with the root chakra. Universal Healing with this symbol protects you even in your hardest days and you will know loving kindness.

Symbol of Knowledge of Divine Plan

The Symbol gives knowledge regarding the Divine Plan of the person. It is different than Divine Mission, where one works for Divine. This Divine Plan is your own dreams and thoughts that you want to manifest. This works with conjunction of many symbols together and these symbols are there in this one Symbol only. There are different concepts in one symbol and this is, "Being one with Divine". The symbol gets its name from the Goddess of Knowledge, Maa Saraswati. The symbol brings into the energy of many people together and these are all Divine Beings of Knowledge. There are many beings who live for this Knowledge.

Once the Knowledge is received this gets channelized into Wisdom. The Symbol of Knowledge is very effective in uprooting the ignorance from the mind of the people. There is so much to learn from the people when this Symbol is placed on Akashic Reading Records of other people. When used in Universal Healing this Symbol gives a lot of patience and inspires people to live a life full of Knowledge.

Use this Symbol on people who have difficulty in learning concepts and Life Lessons, this symbol will make one aware of their strengths and will start working on them and then will guide you.

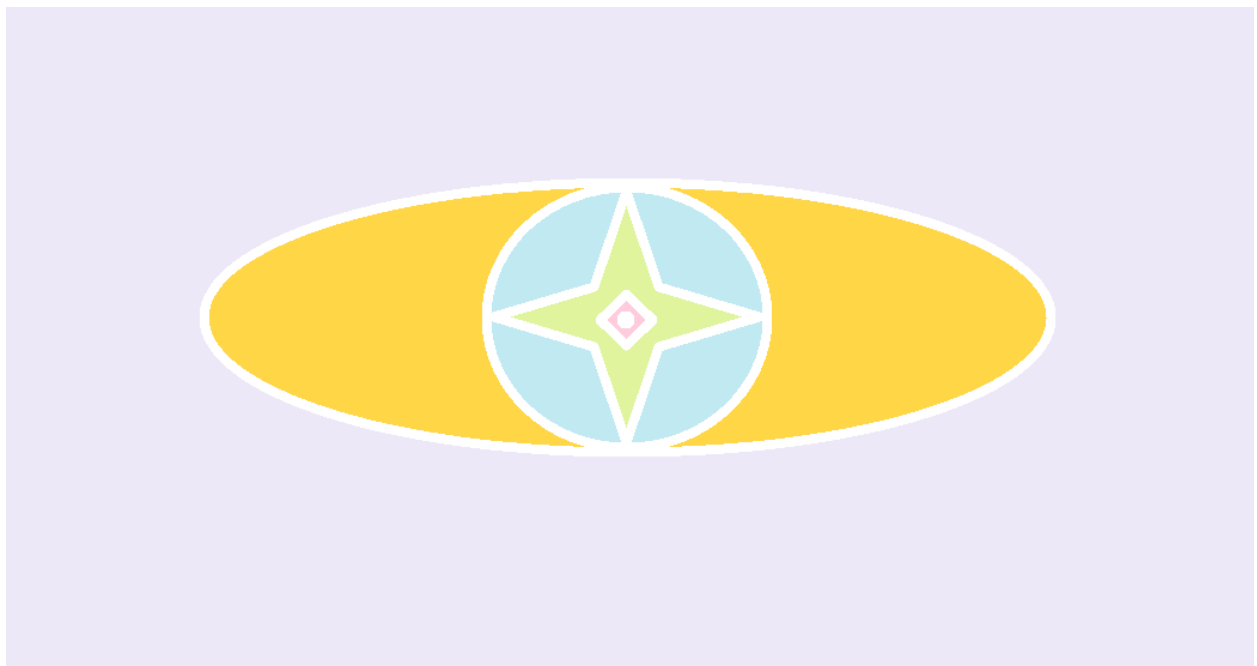

Make use of this symbol while working with people who are not in touch with their own Knowledge and they will be happy to know that they have their own Knowledge. Use this Symbol on books to know the Knowledge and the purpose of this Knowledge.

This Symbol makes Akashic Reading and Healing Modality a Complete Modality because of this Symbol as one can know everything from this Symbol.

Meditation on this Symbol brings a lot of depth in a person.

When used in Universal Healing the Symbol brings happiness of Maa Durga and this is seeing everyone with equanimity. Life becomes easier on many fronts.

Symbol of Transmuting Evil into Goodness

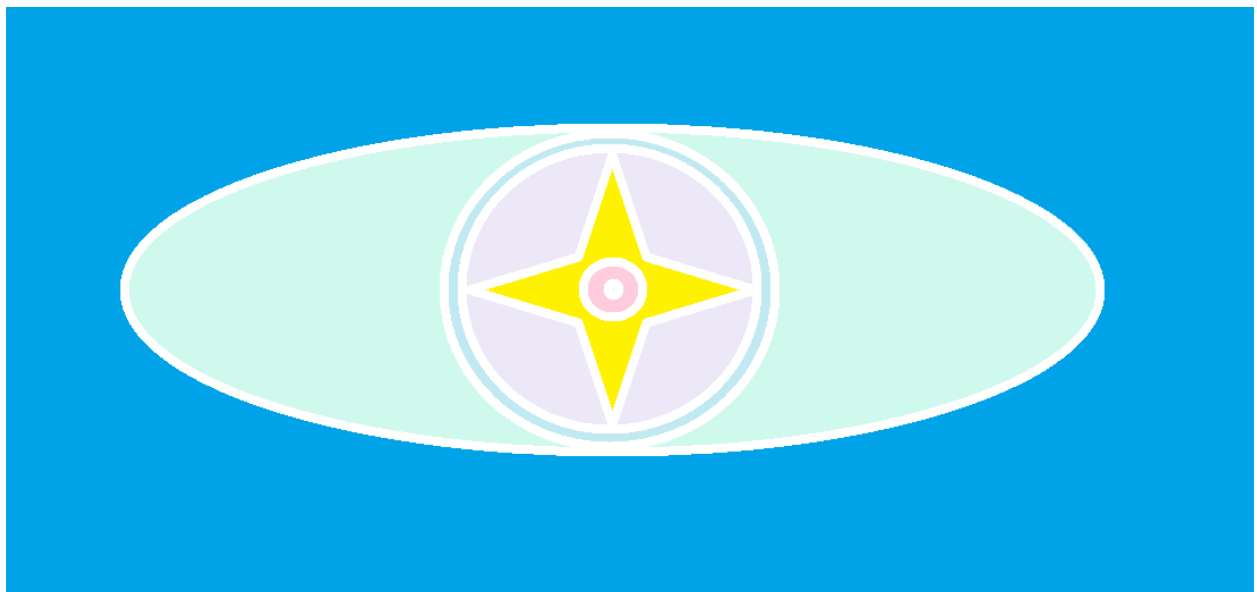

This symbol comes with the MAHATAMA ENERGY and it is used for those people in your life which are creating problem. When this symbol is used then the receiver realizes that there are issues with his or her side and intentions needs to be seen with Complete Understanding. With understanding the person realizes that there are no gains in making people pull down, rather, if one has to rise then work must be done on self.

This is one of the powerful symbols of Akashic Reading Modality and needs no Attunement as it is necessary for the everyone to know, how to protect themselves with such people. The symbol also makes Akashic Reading and Healing a complete modality as there is everything to handle the toughest situation.

When used in Universal Healings there are chances that evil can target you and then there comes another symbol where the evils are changed completely into goodness. The next symbol is changing evil into goodness. The protection is given by the Archangel Michael and then the Universe is of Archangels of Love in Archangel Gabriel. The treated entity is then transformed from Mother Quanin's Love and given love and courage and power to lift from root and grow without falling.

The symbol was first used by Prophet Mohammed on Earth so that the Universal Healers get protected from Evil. Healers using this symbol are never born in planets where the civilization is suffering from bad people and they get Moksha from Evil.

Information on the Symbol discloses when you learn the Modality.
